

PRODUCT SPECIFICATIONS

All products are protected by patents, registered design and intellectual property rights, Flamerite Fires Ltd, will protect these rights. Flamerite Fires Ltd reserves the right to modify or update its products or specifications without prior notice, as its policy is one of continual improvement.

All dimensions given in millimetres and are to nearest 5mm. Please note. Wood is a natural product and the stone effects are hand finished therefore colours and finishes may vary from those shown. This also applies to the Akira frame where polishing and pit marks may also vary in appearance, this is a feature and in no way a defect of the appliance.

For specifications please follow the table opposite.
